

A Newsletter for Members of American Heritage Credit Union

MADE STRONGER BY YOU!

PRESIDENT'S MESSAGE

Dear Fellow Members,

I am excited to report on another successful quarter at American Heritage and provide our members with some exciting things on the horizon as well. In April, we conducted our Annual Meeting reporting on another successful year. We're also pleased to welcome James Thompson to our Board of Directors and Evaleen DeMarco to our Supervisory Committee. The Kids-N-Hope Foundation also hosted the annual Rhapsody and Rhythm Walk-A-Thon and 5K, raising \$30,000 towards funding music therapy and children's health and life services programs.

In May, we opened our new Abington branch, expanding our branch network in Montgomery County. We also welcomed our members and the community to our campus for our 18th Annual Car Show and Member Appreciation Day. We are proud to have worked with Habitat for Humanity Philadelphia to refurbish and provide a new home to a North Philadelphia family. We also commenced our new partnership with Caring for Friends, packing and providing over 1,000 snack bags to the organization's clients in need.

For the 29th consecutive year, we were honored by CrossState Credit Union Association as the recipient of the first-place award for the 2022 Dora Maxwell Social Responsibility Service Category. I am deeply proud of this recognition as it reinforces the many social responsibility projects and initiatives that our members and associates achieve within our community.

In June, we enjoyed our annual Employee Appreciation Day, celebrating our associates for their commitment to the credit union movement and to thank them for their flexibility and dedication to the members throughout these challenging times. Our associates are continuously innovating, creating new initiatives to meet the service levels and standards you have come to expect from American Heritage.

To that end, our team has recently begun to issue our new contactless debit cards to provide easier payment options for you. We are also preparing to launch a new Mobile Teller app as well as the new Small Business Credit Cards and an Everyday Low-Rate Credit Card for individuals in the upcoming months. We will be relocating our Bellmawr branch to a state-of-the-art location in Glendora, Camden County.

I want to thank all our members who continue to support and trust American Heritage to meet their financial needs. Despite so many challenges in our supply chains, inflation, housing inventory, public safety, and geopolitical issues, I firmly believe that better times are ahead for our community and our country as long as we treat one another like family. Our entire American Heritage Family will continue to help, guide and advocate for our members, as we always have.

God bless you, stay safe, and God bless America.

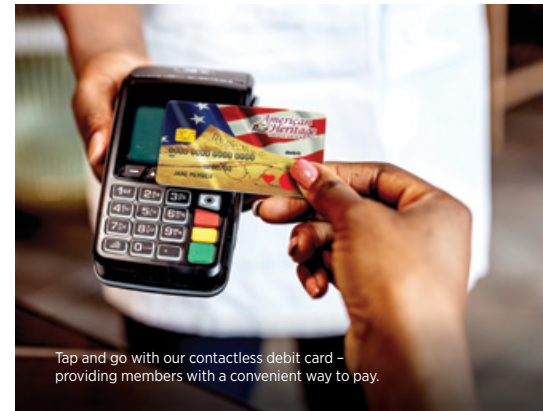

Sincerely, *Bruce K. Foulke* Bruce K. Foulke *President/CEO*

Employees from main campus gather for a photo during this year's Hawaiian themed Employee Appreciation Day.

Our Glendora Branch will be opening this summer to serve our Camden County members.

Tap and go with our contactless debit card - providing members with a convenient way to pay.

CONTACTLESS CARDS ARE HERE!

Contactless cards allow you to tap-and-go for faster and safer transactions. New card rollouts are underway and will continue throughout the summer. Additional communications about your new debit card will be sent to your home and email.

Be sure to activate your new cards when they come in the mail for the best experience! You can activate your contactless debit card through the Mobile Teller App or Online Teller.

When using your contactless card, you may be prompted to enter a pin. This prompt is dependent on the merchant you are conducting your transaction with as they decide if debit card transactions should require a pin confirmation. The contactless card can be used for online and over the phone authorizations in the same manner it is used today. If a merchant does not have a contactless option, your card can still be inserted into the payment device and will function as an EMV Chip card.

WHY SHOULD I CHOOSE A BUMP-UP CERTIFICATE?

You can earn more on your savings with a Certificate rather than with a traditional savings account. When you open a Certificate, you deposit a lump sum of money into an account for a predetermined amount of time in exchange for a higher interest rate. Certificates offer the opportunity for growth and a guaranteed rate of return. You can choose from short- or long-term Certificates, ranging from a few months to several years.

In contrast to a standard Certificate, where the interest rate at the time of opening is the rate that account is locked into for the duration of the term, a **Bump-Up Certificate** allows for the account owner to take advantage of rising interest rates with the option to increase dividends one time during the term of your Certificate. Once you set the higher rate, it will remain that increased rate for the remaining duration of your Certificate's term.

A Bump-Up Certificate can help prevent feelings of missing out on increasing rates in a changing economy, but still offer locked in rates to avoid decreasing rate changes. Bump-Up Certificates tend to have lower base dividends and longer term lengths than standard Certificates but can allow for greater returns based on a changing market without the increased risk of other investment options.
