## 13TH ANNUAL BOOKS FOR KIDS PROGRAM

Through the contributions made by our members, associates, and Board of Directors, our Books For Kids Program was able to collect over \$15,000 and donate more than 5,000 books to local hospitals, community centers and special care facilities throughout the Delaware Valley.

A special book donation will be given to the Reach Out and Read Program at Children's Hospital of Philadelphia, which promotes early literacy and school readiness in pediatrics.

## RECYCLING FOR READERS

Each year, over 640,000 tons of books, or roughly 320 million books, are sent to landfills in the United States. To help combat this issue, American Heritage's Green Team Committee held a used book drive in June and July. Associates donated approximately 1,700 books which were donated to 19 local daycares, libraries, and community centers throughout the regions we serve.
